

MARITIME Efficiency Group

“We secure your transit,
we strengthen your
fleet.”

Audit, inspection, and technical support
services for vessels transiting the Panama
Canal and its port terminals.

About Us

www.groupmare.com

Maritime Efficiency Group is a company specializing in internal audits, navigation audits, and technical inspections for vessels operating in or transiting through Panama.

Our mission is to ensure that every vessel complies with international standards of safety, security, and efficiency, reducing the risks of detentions, delays, and non-conformities.

We work with:

- Shipowners
- Technical operators
- Shipping agencies
- Captains and superintendents
- • Port service and supply companies

“Where maritime efficiency meets reliable expertise.”

MAIN SERVICES

Internal Audits

Aligned with international standards:

- ISM Code
- ISPS Code
- MLC 2006
